Composing a message on GeoPro Messenger

Lu Parente - 2014-05-14 - in [How-To](#)

Follow the steps below on how to compose a message using the GeoPro Messenger GPM1000.

Note: The GPM1000 has the ability to compose a message by selecting the "Compose" or "Address Book" from within the Messages menu.

Solution 1: Using "Compose" to create and send a message

1. Press the "Menu" softkey, scroll to "Messages" and press the "Select" softkey or press the "Messaging" softkey from the Home screen.
2. Scroll to "Compose" and press the "Select" softkey.
3. The Select the Recipient screen will appear.
4. Select the desired recipient from the list of synchronized contacts or scroll to "(Type Address)" and press the "Select" softkey.
 - If a contact is selected from the list scroll to the desired contact name and press the "Select" softkey. Scroll to the address type (GeoPro/Email/SMS) and press the "Select" softkey again.
 - If "(Type Address)" is selected, enter the recipient's email address and press the "Done" softkey.
5. On the Send-To screen, confirm the correct recipient is displayed and press the "Compose" softkey.
6. On the Message bank screen, you can enter a message from the message bank by selecting "Choose from Msg Bk" or manually type a message by selecting "Enter Free Text"
 - If "Choose Msg Bk" is selected, scroll to the desired message and press the "Select" softkey. Press "Select" again to confirm the message selection.
 - If "Enter Free Text" is selected, type in the message using the on-display keyboard and press the "Options" softkey when finished.
7. Scroll to and select "Send" using the joystick to send the message.

Solution 2: Using "Address Book" to create and send a message

1. Press the "Menu" softkey, scroll to "Messages" and press the "Select" softkey or press the "Messaging" softkey from the Home screen.
2. Scroll to "Address Book" and press the "Select" softkey.
3. Scroll to the desired contact name in the list and press the "Select" softkey.
4. Scroll to the address type (Email/GeoPro/SMS) and press the "Select" softkey.
5. On the Send-To screen, confirm the correct recipient is displayed and press the "Compose" softkey.
6. On the Message Text screen, you may enter a message from the message bank by selecting "Choose from Msg Bk" or manually type a message by selecting "Enter Free Text"
 - If "Choose Msg Bk" is selected, scroll to the desired message and press the "Select" softkey. Press "Select" again to confirm the message selection.
 - If "Enter Free Text" is selected, type in the message using the on-display keyboard and press the "Options" softkey when finished.
7. Scroll to and select "Send" using the joystick to send the message.
