

## Downloading & Installing the GeoPro Mobile App for Android

Lu Parente - 2018-07-04 - in [GeoPro Mobile App for Android](#)

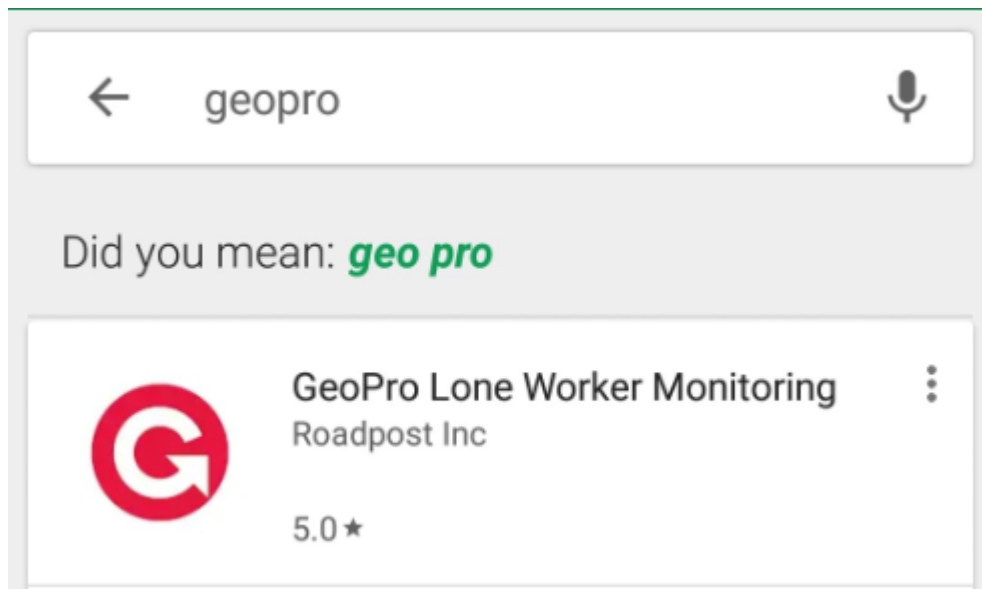

The GeoPro Mobile App turns smartphones into lone worker safety devices. With easy check-in, tracking, SOS alerting and man down detection, the mobile app provides added peace of mind, streamlines daily operations and minimizes risk while improving user safety.

This article explains how to download and install the GeoPro Mobile App from the Google Play Store.

1. Navigate to **Google Play**, enter **GeoPro** in the search bar.

2. Select **GeoPro Lone Worker Monitoring** from the list of results.

3. Select **Install** and the latest version of the GeoPro Mobile App will be installed.
