

## Installing the External Antenna Adapter on Iridium 9555

David Jones - 2016-10-28 - in How-To

Follow the diagram below on how to install the antenna adapter on the Iridium 9555.

### To Install the Antenna Adaptor

1. Slide the phone into the antenna adaptor.
2. Rotate until the back of the phone meets the adaptor.

### Auxiliary Antenna Adaptor

Allows you to easily attach the auxiliary antenna to the back of your Iridium 9555 handset. The auxiliary antenna allows for in-vehicle use of your Iridium handset.
