Sending a text message to an Email address using Iridium 9555

Lu Parente - 2017-09-12 - in How-To

Follow the steps below on how to send a text message to an Email address using the Iridium 9555.

Solution: How to send a text message to an email address

1. Press "Menu"
2. Scroll to "Messages" press "Select"
3. Scroll to "Create Message" and press "Select"
4. Compose your message beginning with recipient email address followed by a space and the content of your message.
 - To create the '@' character, press the "1" key two times
 - Example: johnsmith@mail.com<space>Having a great trip!
5. Once complete, press "Options"
6. Select "Send"
7. Highlight "New Recipient" and press "Add"
8. Select "Enter Number"
9. Enter destination number as +*2 and press "OK"
