

GeoPro Service Outage - Feb 9

2017-02-09 - David Jones - 0 Comments - in Announcements

IMPORTANT: GEOPRO SYSTEMS MAINTENANCE

Update: Iridium has resolved this outage. The outage window was 12:13 PM EST (9:13 AM PST) until 1:30 PM EST (10:30 AM PST).

Iridium has informed GeoPro of an unscheduled outage that is currently affecting the following services:

- Email messaging
- SMS messaging
- Device-to-device messaging
 - SOS
 - Tracking

The following services are unaffected:

- GeoPro activations, deactivations, and suspensions
 - Mobile app (messaging, tracking, and SOS)

Thank you for your co-operation and understanding.
