

## GeoPro Service Outage - Feb 9

2017-02-09 - David Jones - in Announcements

**\*\*\*IMPORTANT: GEOPRO SYSTEMS MAINTENANCE\*\*\***

**Update: Iridium has resolved this outage. The outage window was 12:13 PM EST (9:13 AM PST) until 1:30 PM EST (10:30 AM PST).**

Iridium has informed GeoPro of an unscheduled outage that is currently affecting the following services:

- Email messaging
- SMS messaging
- Device-to-device messaging
  - SOS
  - Tracking

The following services are unaffected:

- GeoPro activations, deactivations, and suspensions
  - Mobile app (messaging, tracking, and SOS)

Thank you for your co-operation and understanding.
