Iridium GO! Mail & Web iOS App (v 3.0.3) Update Available

2020-02-03 - David Jones - in Announcements

Iridium GO! Mail & Web iOS App (v 3.0.3) Update Available

An update is now available for the **Iridium GO!® Mail and Web App** for **iOS** devices and can be accessed via the [Apple App Store](#). App version 3.0.3 provides compatibility with the latest iOS 13 versions and resolves connectivity issues faced with sending/receiving mail.

While this release is not mandatory, it is strongly recommended that the update be performed as soon as possible to enable the best service experience.
