Dear Valued Customer,

In a continued effort to provide you with the best experience, we've redesigned the Roadpost website to make it easier to use. **Highlights include a new logo, improved navigation, and a mobile-friendly design.**

The Roadpost account now offers 24/7 online access to:

- Activate prepaid SIM cards (Iridium and IsatPhone)
- Refill prepaid airtime or extend expiry dates online in real time
- Sign up for our new prepaid auto-refill service, which automatically tops up your balance when your prepaid card runs out of minutes or is close to expiry (Iridium and IsatPhone)
- View your airtime plan details including usage and add-on features
- Update payment, billing, and shipping information
- Download invoices and view your order history

Be sure to check out our new look at [www.roadpost.ca](http://www.roadpost.ca) or [www.roadpost.com](http://www.roadpost.com), and we hope you enjoy the new design of the site and your online account!

Thank you,
